

Subject: Inquiry for R&D Samples RAHA

Dear [Madam/Sir],

The construction of our third-phase project is nearing completion. This new facility will focus primarily on sterile manufacturing.

To support our new product development, we are seeking samples of the items on following list.

Name	Qty (gr)	Spc	CAS
Amikacin sulphate	100	or EP USP	54-31-9
Aminophyllin anhydrous	50	USP	317-34-0
Atropine Sulfate	30	USP	5908-99-6
ciprofloxacin lactate	200	IH With MOA	97867-33-9
Diazepam	50	or BP USP	439-14-5
Furosemide	50	USP	54-31-9
Gentamicin Sulfate	100	USP	1405-41-0
Granisetron Hcl	50	USP	107007-99-8
Iodixanol	150	USP	92339-11-2
Iohexol	150	USP	66108-95-0
L-methylfolate Calcium	100	or EP USP	151533-22-1
Lotilaner	30	IH With MOA	1369852-71-0
N-Acetyl-L-Cysteine	30	or EP USP	616-91-1
Neostigmine methylsulfate	30	USP	51-60-5
Ondansetron HCl	30	USP	103639-04-9
Perfluorohexyloctane	100	IH With MOA	133331-77-8
Polymyxin B	50	USP	1405-20-5
Promethazine hcl	30	USP	58-33-3
Sumatriptan Succinate	100	USP	103628-46-2
Tafluprost	30	IH With MOA	209860-87-7
Terbinafine	60	USP	91161-71-6
Trifarotene	10	IH With MOA	895542-59-3
Tropicamide	30	or EP USP	1508-75-4

If you are able to supply any of these items from registered sources, please inform us by email. For items not yet registered, kindly provide their (COA), specification sheet, and any other documentation that would support a future registration.

If the quantity required cost any chargeable fee, please let us know the price.

Please note: All sample submissions must include their corresponding working reference standards (W.S.) We are prioritizing materials from registered sources.

Thank you for your time and assistance. We look forward to your response.

Your Faithfully
